Let's take a look at
what God has done!

Pray for the ladies
Mentor Team, In April
2024 we began a new
journey serving at the
Hilltop Unit.

We are excited about
the doors God is
opening and look
forward to sharing the
good news of Christ
with the ladies on the
inside. As always we
appreciate your
continued
encouragement and
prayers.

MOVING FORWARD

The latest news and updates

Our mission: To encourage the believers who are allowing God to transform their lives while in prison and present the good news to those who do not have a relationship with Jesus Christ.

As we continue to dive into 2024, The Lord continues to show His faithfulness to the ministry. It is with pure joy that we share with you the progress on construction for the expansion of the women's ministry.

We want to thank Cornerstone Baptist Church and Park Cities Baptist Church for their support and continued contribution that has allowed us to expand housing. God truly does work together for the good of those who love Him and are called according to His purpose.

Check Out Who is Shining in our Volunteer Spotlight!

Helen Dawson is a TRM volunteer from East Texas. She loves the Lord and loves on our ladies housed at The Well. Culinary skills are Mrs. Dawson's wheel house and she has taught our ladies the skill of how to prepare meals, how to serve meals and how to clean the kitchen. The meals she has prepared at The Well have not only fed our staff, but fed members of the community who are not able to prepare meals for themselves. We thank God for Helen Dawson and all of our volunteers using their talents to share God's love.

MOVING FORWARD

The latest news and updates

Trinity Restoration Ministries is called to teach the Word of God, coming directly from the Holy Bible and led by the Holy Spirit.

It was a touching moment as we held our last board meeting with our dear friend Jim Ingels. His dedicated service to the ministry will be greatly missed. Continue to pray for Jim as he moves forward with the next steps of his journey. TRM mens program continues to grow with the help of committed staff and volunteers. TRM has been housing 30-35 men in our re-entry facility.

During the meeting we were updated on the status of the new women's house being renovated, its coming along beautifully. This house will open up the opportunity for The Well to house and mentor even more women being released from prison.

A Providing Hope & Restoration

Trinity Restoration Ministries' mission is to provide hope and restoration of mind, body, and spirit in obedience to God the Father through Jesus Christ by the power of the Holy Spirit.

Each opportunity we have to mentor formerly incarcerated individuals is a chance to share God's unfailing love to those who have never had the positive support system in their own community.

**Do not
limit God.**

Reflection and Prayer Request

As we push forward into 2024 we continue to reflect on "The Story" of TRM. The story always begins with Christ and the rest of the story comes from us sharing the Gospel with those we mentor in and out of prison as well as people we encounter daily. TRM's success is determined by it's staff, volunteers, and participants staying focused on the direction God is leading. We continue to have success stories of men graduating TRM and prospering. Getting to see our participants complete this program and successfully re-enter society as a born again believer is truly a picture of God's never ending mercy, grace and blessings. Continue to pray for the ministry, our leaders, participants, volunteers and staff as they continue to carry on the legacy of TRM. Your prayers are important.

He faithfully participates in multiple mens Bible studies. Bruce is a TRM graduate and mentor at our TRM faith-based dorm at the Sanders Estes Unit.
